

CONVERSION KIT PNEUMATICAL REMOTE CONTROL

Article number:
363788

EAN-Code:
4016817024937

For long-lasting performance and customer satisfaction, we recommend using only genuine spare parts. You can rely on finding the right spare part for your cistern, even if it has been in use for many years.

All our concealed and exposed cistern models offer a 25-year availability of authentic spare parts, providing added peace of mind when choosing our products.

PROPERTIES

For concealed cistern 180.XXX and UP 182
